

A little Christmas kindness bingo

Choose something helpful to try, then color its square. A row is fun, but kindness has no score. You do not need to finish every square.

☆ Help put away a few toys.	☆ Say thank you to someone.	☆ Make a little drawing for someone.
☆ Take turns choosing an activity.	☆ Choose your own kind idea.	☆ Ask a grown-up how you can help.
☆ Listen while someone tells a story.	☆ Help tidy the coloring table.	☆ Invite someone to play with you.

Small helpful things count. Take a break whenever you like.
